VENATOR UPSETS CALCULATIONS

Twenty-Five to One Shot Is Victor.

Comes in First in Six Furlong Handicap at Oakland.

Track Was Muddy-There Was Heavy Plunge on Judge, Who Ruled Strong Favorite.

SAN FRANCISCO, Nov. 15.-Venator, 25 to 1 shot, upset calculations at Oakland today by winning the six-furiong handleap from a good field. The track was muddy, owing to the rain of last night, but it was drying out fast. There was a heavy plunge on Judge and he ruled a strong favorite. He faltered in the final furlong and Venator beat him handliy. Favorites took three races. Re-

End of University Class Series.

Victors Have Not Lost a Game During the Season.

Seniors, Who Lost the Game Yesterday, Handicapped by Crippled Condition of Players.

In a one-alded but spectacular game played on Cummings's field yesterday aft ernoon the Sophomores defeated the Sen fors by a score of 34 to 6 and cinched their claim to the championship. Throughout the entire contest the Sophs played snappy ball and excelled the Senfors both on offensive and defensive. The Senior team was slightly handicapped by the crippled condition of several of its players, but even if these had been in better shape it is doubtful if they would have been match for the speedy Sophs.

The Sophomores have passed the entire series without a single defeat Hard work has been the secret of their success, for to begin with their material was very raw. In weight they compare favorably with the other teams, but in speed and team work they are in a class by themselves. As the winners of the class series the Sophomores will receive the handsome trophy offered by the class

The Sophomores received the ball on the

of '35.

The Sophomores received the ball on the kickoff and Marshall immediately circled the Seniors' end for what looked like a touchdown. In the excitement he went out of bounds and the Seniors were given the ball. They falled to make their yards and immediately turned over the ball to the Sophs. A moment later Mackey broke through the line and ran twenty yards for a touchdown. No goal and the score stood 8 to 9 in favor of the Sophomores. The Seniors received the ball on the kickoff but immediately punted. The Sophs returned the pant and heid the Seniors for downs. A series of hard-line bucks by Eardley, Mackey and Marshall resulted in a touchdown a moment later. Sophs kicked goal and the score stood II to 0 in their favor.

The Sophs received the ball on the kick-off. By an end run Cannon gained twenty yards but the Seniors broad. Liebman dropped back for a Princeton from the twenty-five yard line but missed. A series of wretched fumbles followed and the Seniors finally recovered the ball near the middle of the field. A clever end run by Tibbey netted fifteen yards and a series of rapid line plunges netted as many more for the Seniors who now seemed to be playing in their old time form. Christensen capped the climax by breaking through the line and running fifteen yards for the Seniors first touchdown. This is the first touchdown scored on the Sophs during the series and Christensen made the archievement complete by kicking goal a moment later. Score stood II to 6 in favor of the Sophs. Before the half closed the Sophs scored another touchdown and made the score 17 to 6 in their favor. The officials made several rank decisions at this stage of the game much to the discouragement and disgust of the Seniors.

The Sophs oponed the second half by kicking to the Seniors who falled to break through their defense, and lost the ball. The Seniors suddenly braced and served the same medicine to the Sophs. Again the Seniors failed to gain and a moment later Marshall skirted their end and ran fifty yards for a touchdo

The Sophomores received the ball on the kickoff but immediately fumbled on their own twenty-five yard line. A drop kick by the Seniors falled and the Sophs immediately began a long march down the field for another touchdown. Kicked goal and the score stood 11 to 6 in their flavor similar to maple syrup, making it flavor similar to maple syrup, making it

Coach Campbell Has a Hard Task.

Many Men Are on the Sick List and Subs Will Have to Be Called in.

Strenuous Trip to the Coast Placed Several Aggie Stars in the Hospital

LOGAN, Nov. 15 -Coach Campbell of the Agricultural college football team has not decided upon the personnel of the team that will defend the championship title against "Maddock's Hurry-Ups" next Saturday. A large crowd is out practicing daily, but not until Friday afternoon will Campbell announce his line-up. This is due to the fact that many of his regular players are on the hospital list as a result of the strenuous fertnight on the Pacific coast and the Aggle coach will not know until Friday just who will be in condition to play.

New Team Will Play.

In all probability, the eleven which faces the "U" gladiators on Saturday will be entirely different from the ones that toured the coast. In fact, it is not unlikely that several members of the second team may be called upon to fill up. The "scrub" eleven has shown up so strong of late that Campbell has seriously considered the advisability of substituting several members of this aggregation for his heavier and more experienced first team who have not yet recovered from the severe drubbing they received on four different occasions while away from home. A game is scheduled for this afternoon between the first and second elevens, and up in Logan there is considerable money being wagered that the latter aggregation will carry off the honors. faces the "U" gladiators on Saturday

Aggie Rooters Confident.

Despite the apparent state of chaos into which football affairs have been thrown at Logan, the students and townspeople alike will not admit the possibility of defeat "Wo'll trim 'em again this year," is the cry, and unless the Cache valley crowd is selzed with an acute attack of "coid feet there will be plenty of betting on the result of the contest.

Kirk Will Not Play.

Kirk, the big geard of 1822-02, will not play with the Aggies this year, despite divers rumors to the contrary. The giant lineman is still in California and has no intention of returning to the A. C. Up at the "U" the football squad is working hard sput the team will no doubt be at its best when the clash comes for the State champion-ship. Last week some of the men evinced a disposition to loaf, but this feeling has entirely disappeared and every member of the squad is putting in his best licks. Defense is the problem that Maddock is trying to solve and each night his men receive several course in the art of squelching mass formations and breaking up interference.

Nebraska Man Who Is Confident Old Nick Is Trying to Run Him

OMAHA, Neb., Nov. 15.-Charles Nagle, a farmer, living six miles west of maha, was arraigned in the Police ourt here charged with assault and battery upon John Hannchild, one of his neighbors. At the trial of his case it came to light that because of a superstitious fear that the devil would catch and punish him if he did so he has not for six years sat down in the presence of any one, slept in a recumbent posi-tion night or day or ridden in any sort of vehicle. He labors under the delusion that if he were caught in a sitting or recumbent posture or riding in a ve-bicle the devil would catch and punish him. Neighbors of the eccentric man testified in court that not for six years has he been seen to sit down, ile down or ride in any sort of conveyance.

Rests in Peculiar Contrivance.

These neighbors said that at night he rested in a contrivance of his own invention in which he is held in nearly a perpendicular posture, that he ate his meals standing, and that when he had occasion to go to town he walked behind his wagon or buggy. When he comes to town he will not ride in a street car nor an elevator and he refuses to board a train under any circumstances.

Refuses to Sit Down.

When an officer went to his farm to arrest him today he announced that he court today he refused to sit down standing up throughout the trial of his case. Nagle talks intelligently and is abundantly capable of managing his own affairs. He appears perfectly ra-tional on all subjects save those of sitting down, lying down to eleep and rid-ing in a vehicle. He is 40 years old and
